[The reputation of the maori people for splendid physiques has placed them on a pedestal of perfection much of this has been lost in modernization however through the assistance of the government i was able to see many excellent physical specimens in fig 69 will be seen four typical maori who retained much of the tribal excellence note their fine dental arches a young maori man who stands about six feet four inches and weighs 230 pounds was examined the maori men have great physical endurance and good minds many fine lawyers and government executives are maori the breakdown of these people comes when they depart from their native foods to the foods of modern civilization foods consisting largely of white flour sweetened goods syrup and canned goods the effect is similar to that experienced by other races after using foods of modern civilization typical illustrations of tooth decay are shown in fig 70 in some individuals still in their teens half of the teeth were decayed the tooth decay among the whites of new zealand and australia was severe this is illustrated in fig 71 particularly striking is the similarity between the deformities of the dental arches which occur in the maori people who were born after their parents adopted the modern foods and those of the whites this is well illustrated in fig 72 for maori boys in my studies among other modernized primitive racial stocks there was a very high incidence of facial deformity which approached one hundred per cent among individuals in tuberculosis sanatoria this condition obtained also in new zealand](#)
[Fig 69 since the discovery of new zealand the primitive natives the mann have had the reputation of having the finest teeth and finest bodies of any race in the world these faces are typical only about one tooth per thousand teeth had been attacked by tooth decay before they came under the influence of the white man](#)
[Fig 70 with the advent of the white man in new zealand tooth decay has become rampant the suffering from dental caries and abscessed teeth is very great in the most modernized maori the boy at the lower left has a deep scar in his upper lip from an accident](#)
[Fig 71 whereas the original primitive maori had reportedly the finest teeth in the world the whites now in new zealand are claimed to have the poorest teeth in the](#)
